

Montana Open Wrestling Tournament

The MT Open started with a simple idea; create a tournament that would bring together all the wrestling organizations across the state of Montana and give kids who wouldn't normally wrestle each other a chance to compete. With the talented wrestlers across this state, the tournament has the potential to be very competitive. It has since grown past just the participation of Montana's best wrestlers, but draws teams from all over the country creating one of the toughest wrestling tournaments held in the state and the region.
